## Some Might Say by Oasis

## Fill in the gaps

Some might say	If you don't get yours I won't get mine as well
That sunshine follows thunder	Some might say
Go and tell it to the man who cannot shine	We will (5) a brighter day
Some might say	Some might say
That we should never ponder	We will find a (6) day
On our thoughts (1) cos they will sway over time	'Cause I've been standing at the station
Some (2) say	In need of education in the rain
We will find a brighter day	You made no preparation
Some might say	For my reputation once again
We will find a brighter day	The (7) is (8) of fishes
'Cause I've been (3) at the station	She's got dirty dishes on the brain
In need of education in the rain	And my dog's been itchin'
You made no preparation	Itchin' in the kitchen once again
For my reputation (4) again	Some might say (some might say)
The sink is full of fishes	Some might say (some might say)
She's got dirty dishes on the brain	You know what some might say
It was overflowing gently	You know what some might say
But it's all elementary my friend	You know what (9) might say
Some might say	You (10) what some might say
They don't believe in heaven	
Go and tell it to the man who lives in hell	
Some might say	
You get what you've been given
