

Fill in the gaps

Some might say		If you don't get yours I won't get mine as well
That sunshine follows thunder		Some might say
Go and tell it to the man who cannot shine		We will find a brighter day
Some might say		Some might say
That we should never ponder		We will find a brighter day
On our (1)	today cos they will sway over	'Cause I've (4) standing at the station
time		In (5) of education in the rain
Some (2) say		You made no preparation
We will find a brighter day		For my reputation once again
Some might say		The sink is (6) of fishes
We will find a brighter day		She's got dirty (7) on the brain
'Cause I've been standing at the station		And my dog's been itchin'
In need of education in the rain		Itchin' in the kitchen once again
You made no preparation		Some might say (some might say)
For my reputation once again		Some might say (some might say)
The sink is full of fishes		You know (8) some might say
She's got dirty (3)	on the brain	You know what some might say
It was overflowing gently		You know what some (9) say
But it's all elementary my friend		You know what some might say
Some might say		
They don't believe in heaven		
Go and tell it to the man who lives in hell		
Some might say		
You get what you've been given
