

Fill in the gaps

Sometimes I	(Oh) I refuse to
I just want to close my eyes	Sit around and wait
And act like everyone's alright	For someone else
When I know they're not	To do what God has called me to do myself
This world needs God	(Oh) I could choose
But it's easier to stand and watch	Not to move
I could say a prayer and just move on	But I refuse
Like nothing's wrong	To stand and watch the weary and lost
But I refuse	Cry out for help
'Cause I don't want to live like I don't care	I refuse to turn my back
I don't want to say another empty prayer	And try and act like all is well
(Oh) I refuse to	I refuse to stay unchanged
Sit (1) and wait for (2) else	To wait another day, to die to myself
To do what God has called me to do myself	I refuse to make one more excuse
(Oh) I could choose	'Cause I don't want to (8) (9) I don't
Not to move	care
But I refuse	I don't want to say another empty prayer
I can (3) the (4) of these	(Oh) I refuse to
Crying out so desperately	Sit (10) and wait for someone else
And I know we are the (5) and feet	To do what God has called me to do myself
(Of) You, (Oh) God	(Oh) I could choose
So, if You say move	Not to move
It's time for me to follow through	But I refuse
And do what I was made to do	I refuse
Show (6) who You are	I refuse
'Cause I don't want to (7) like I don't care	
I don't want to say another empty prayer
