

## Fill in the gaps

## Washed By The Water by Needtobreathe

Daddy was a preacher	Turn around and (16) me
She was his wife	I won't never (17) let you down
Just tryin' to make the world a little better	I won't fall, I won't fall
You know, shine a light	I won't fall as long as you're around me
People started talking	Even (18) the rain falls
Just to hear their own voice	Even when the (19) starts rising
Those (1) (2) to accuse my	Even when the storm comes
father	I am washed by the water
Saying he'd made the wrong choice	Even (20) the rain falls
Though it might be painful	Even when the flood starts rising
You (3) that time (4) always tell	Even (21) the storm comes
Those (5) have long since gone	I am washed by the water
My father never failed	Even when the rain falls
Even when the rain falls	Even (22) the (23)
Even when the (6) starts rising	(24) rising
Even when the (7) comes	Even when the (25) comes
I am washed by the water	I am washed by the water
Even when the rain falls	Even when the rain falls
Even (8) the (9) starts rising	Even when the (26) starts rising
Even (10) the (11) comes	Even when the (27) comes
I am (12) by the water	I am washed by the water
Even (13) the earth crumbles (14)	
my feet	
Even (15) the ones I love
