

Fill in the gaps

Girl I see it in (1) eyes (2)	But if you walk away
disappointed	I know I'll fade
Cause I'm the (3) one	Cause (17) is (18) else
That you anointed with (4) heart	It's (19) be you
I (5) it apart	Only you
And (6) what a mess I made upon (7)	It's (20) be you
innocence	(Oh) Only you
And no woman in the (8) deserves this	Oh girl, can we try one more, one (21) time?
But (9) I am asking you for one more chance	One more, one more
Can we fall, one more time?	Can we try one more, one more time
Stop the (10) and rewind	I'll make it better
Oh and if you walk away I know I'll fade	One more, one more
Cause there is nobody else	Can we try one more, one more
It's gotta be you	Can we try one more time to (22) it all better?
Only you	'Cause its (23) be you
It's gotta be you	It's (24) be you
(Oh) Only you	Only you
Now girl I (11) it in (12) voice and how it	Only you
trembles	It's gotta be you
When you speak to me I don't resemble, who I was	Only you
You've almost had enough	It's gotta be you
And (13) actions (14) louder	Only you
(15) words	
And (16) about to break from all you've	
heard	
But don't be scared	
I ain't going no where	
I'll be here, by your side	
No more fears, no more crying
