

I (11)_____ again

Fill in the gaps

I'm tired of telling the story	I'm over you
Tired of (1) it (2) way	Before you take my heart
Yeah I know what I saw I know	Reconsider
That I found the floor	Before you (12) my heart
Before you take my heart	Reconsider
Reconsider	I've opened the door
Before you (3) my heart	I've (13) the door
Reconsider	Here (14) the summer's son
I've (4) the door	He (15) my skin
I've opened the door	I (16) again
Here comes the summer's son	I'm over you
He (5) my skin	Here comes the winter's rain
I ache again	To (17) my skin
I'm over you	I wake again
I thought I had a dream to hold	I'm over you
Maybe (6) has gone	
Your hands reach out and touch me still	Here comes the summer's son
But this feels so wrong	
Before you take my heart	He (18) my skin
Reconsider	I ache again
Before you take my heart	I'm (19) you
Reconsider	
I've (7) the door	Here (20) the winter's rain
I've opened the door	
Here (8) the summer's son	To cleanse my skin
He burns my skin	(I wake again)
I ache again	(I'm over you)
I'm (9) you	
Here (10) the winter's rain	
To cleanse my skin
