

## Fill in the gaps

White lips, pale face	The worst things in life (13) free to us
Breathing in snowflakes	'Cause we're just (14) the upper hand
Burnt lungs, sour taste	And go mad for a (15) grams
_ight's gone, day's end	And she don't want to go outside tonight
Struggling to pay rent	And in a pipe she flies to the Motherland
_ong nights, strange men	Or sells love to another man
And they say	It's too cold outside
She's in the class A team	For (16) to fly
Stuck in her daydream	An angel will die
Been this way since 18	Covered in white
But lately her face seems	Closed eye
Slowly sinking, wasting	And hoping for a (17) life
Crumbling (1) pastries	This time
And they scream	We'll fade out tonight
The worst (2) in life come free to us	Straight down the line
Cause we're just	And they say
Under the upper hand	She's in the class A team
And go mad for a couple grams	Stuck in her daydream
And she don't want to go outside tonight	Been (18) way since 18
And in a (3) she (4) to the	But lately her face seems
Motherland	Slowly sinking, wasting
Or sells love to (5) man	Crumbling like pastries
t's too (6) outside	They scream
For angels to fly	The worst things in life come free to us
Angels to fly	And we're all under the (19) hand
Ripped gloves, raincoat	Go mad for a couple grams
Tried to (7) and stay afloat	And we don't want to go (20) tonight
Dry house, wet clothes	And in a (21) we fly to the Motherland
Loose change, bank notes	Or sell (22) to (23) man
Weary-eyed, dry throat	It's too cold outside
Call girl, no phone	For (24) to fly
And (8) say	Angels to fly
She's in the (9) A team	Fly, fly
Stuck in her daydream	For angels to fly
Been (10) way since 18	To fly, to fly
But (11) her (12) seems	Angels to die
Slowly sinking, wasting	
Crumbling like pastries	
And they scream
