And I relied on my best friend	And if it's going to be my destiny
She would advice me	I don't (4) to (5) till it comes to me
She broke out her code	I will work so hard
And then put on her jacket	My hands will hurt
Now I'm scared because she's really gone	I will pay my sins
Oh	If so in hell
Oh	Serenade
And I relied on my best friend	Serenade me
Do you remember?	They say I'm dry
She was so young	But I'm (6) sick
And now that we're burning	Serenade me
They're scared because she's (1) gone	They say I'm cold
Oh	But I'm just sick
Oh	Serenade me
And if it's going to be my destiny	And if it's going to be my destiny
I don't want to wait till it comes to me	I don't want to wait (7) it (8) to me
I will work so hard	I will work so hard
My hands will hurt	My hands will hurt
I will pay my sins	I will pay my sins
If so in hell	If so in hell
Serenade	Serenade
Serenade me	Serenade me
They say I'm dry	They say I'm dry
But I'm (2) sick	But I'm just sick
Serenade me	Serenade me
They say I'm cold	They say I'm cold
But I'm just sick	But I'm just sick
Serenade me	Serenade me
And I relied on my best friend	Serenade me
She would (3) me	They say I'm dry
She broke out her code	But I'm just sick
And then put on her jacket	Serenade me
Now they're scared because she's really gone
