

## Fill in the gaps

| Usher baby                                     |                      |    | I'm the hunter                                   |
|--|----------------------|----|--|
| (Yeah, yeah)                                   |                      |    | Take you here, take you there, (5) you under     |
| We did it again                                |                      |    | Imagine me whispering in your ear, yeah          |
| And this time, I'mma make you scream           |                      |    | Then I wanna take off all your clothes           |
| (Usher, Usher, Usher) Yeah, man                |                      |    | And put something on ya                          |
| I see you over there, so hypnotic              |                      |    | And I tried to fight it, to fight it             |
| Thinking 'bout what I'd do to that body        |                      |    | But you're so magnetic, magnetic                 |
| I'd get you like (ooh) baby baby               |                      |    | Got one life, just live it, just live it         |
| (Ooh) baby baby                                |                      |    | Now relax and get on your back                   |
| (Ooh) baby baby                                |                      |    | If you wanna scream, yeah                        |
| (Ooh) baby baby                                |                      |    | Let me know and I'll take you there              |
| Got no drink in my hand but I'm wasted         |                      |    | Get you (6) like (ooh) baby baby                 |
| Getting drunk of the thought of you naked      |                      |    | (Ooh) baby (7) (ooh baby baby)                   |
| I'd get you like (ooh) baby baby               |                      |    | (Ooh) baby baby                                  |
| (Ooh) baby baby                                |                      |    | (Ooh) baby                                       |
| (Ooh) baby baby                                |                      |    | If you want it done right                        |
| (Ooh) baby baby                                |                      |    | Hope you're ready to go all night                |
| And I tried to (1)                             | it, to (2)           | it | Get you (8) like (ooh) baby baby                 |
| But you're so magnetic, magnetic               |                      |    | (Ooh) baby baby (yeah)                           |
| Got one life, just live it, just live it       |                      |    | (Ooh) baby baby                                  |
| Now relax and get on your back                 |                      |    | (Ooh) baby, if you wanna scream                  |
| If you wanna scream, yeah                      |                      |    | (I'mma make you scream)                          |
| Let me know and I'll take you there            |                      |    | Out, louder, scream (Usher, Usher, Usher) louder |
| Get you (3)                                    | like (ooh) baby baby |    | (if you wanna scream) Louder, louder, louder     |
| (Ooh) baby baby (Ooh) baby baby                |                      |    | Hey, tonight I scream, I'm on need               |
|  |                      |    | (If you wanna scream)                            |
| (Ooh) baby                                     |                      |    | (Oh)   |
| If you want it done right                      |                      |    | (If you wanna scream) Yeah                       |
| Hope you're ready to go all night              |                      |    | Let me know and I'll take you there              |
| Get you going like (ooh) baby baby             |                      |    | Get you going like (ooh) (9) baby                |
| (Ooh) baby baby                                |                      |    | (Ooh) baby baby                                  |
| (Ooh) baby baby                                |                      |    | (Ooh) baby baby                                  |
| (Ooh) baby                                     |                      |    | (Ooh) baby (yeah)                                |
| If you wanna scream                            |                      |    | If you want it done right                        |
| (Yeah, come on)                                |                      |    | Hope you're ready to go all night                |
| Kill the lights, shut 'em off, you're electric |                      |    | Get you (10) like (ooh) baby baby                |
| Devil eyes telling me "come and get it"        |                      |    | (Ooh) baby baby                                  |
| I'll have you (4) (ooh) baby baby              |                      |    | (Ooh) baby baby                                  |
| (Ooh) baby baby                                |                      |    | (Ooh) baby                                       |
| (Ooh) baby baby                                |                      |    | If you wanna scream                              |
| (Ooh) baby baby                                |                      |    |  |
| Girl tonight you're the                        | prey                 |    |  |
