Tell me where our time went			
And if it was time well spent			
Just don't let me (1) asleep			
Feeling empty again			
'Cause I (2) I might break			
nd I fear I can't take it			
Tonight I'll lie awake			
Feeling empty			
I can (3) the pressure			
It's getting closer now			
We're better off without you			
I can feel the pressure			
It's getting closer now			
We're (4) off (5) you			
Now that I'm losing hope			
And there's nothing else to show			
For all of the days that we spent			
Carried away from home			
Some things I'll never know			
And I had to let them go			
I'm sitting all alone			
Feeling empty			

i can reel the pressure			
It's (6)	closer now		
We're better off without y	ou		
I can feel the pressure			
It's (7)	closer now		
We're (8)	off without you		
Without you			
Some things I'll never known	ow		
And I had to let them go			
Some things I'll never know			
And I had to let them go			
I'm (9)	all alone		
Feeling empty			
I can feel the pressure			
It's getting (10)	now		
We're better off without you			
Feel the pressure			
It's getting closer now			
You're better off without me
