

## Fill in the gaps

| Tell me where our time went       |
|-----------------------------------|
| And if it was time (1) spent      |
| Just don't let me fall asleep     |
| Feeling empty again               |
| 'Cause I (2) I (3) break          |
| And I fear I can't (4) it         |
| Tonight I'll lie awake            |
| Feeling empty                     |
| I can (5) the pressure            |
| It's getting (6) now              |
| We're (7) off (8) you             |
| I can feel the pressure           |
| It's (9) closer now               |
| We're (10) off (11) you           |
| Now that I'm losing hope          |
| And there's nothing (12) to show  |
| For all of the (13) that we spent |
| Carried away from home            |
| Some (14) I'll (15) know          |
| And I had to let them go          |
| I'm (16) all alone                |
| Feeling empty                     |

| I can feel the pressure      |             |  |
|------------------------------|-------------|--|
| It's getting (17)            | now         |  |
| We're (18) off               | (19) you    |  |
| I can (20) the pressure      |             |  |
| It's getting closer now      |             |  |
| We're better off without you |             |  |
| Without you                  |             |  |
| Some things I'll never know  |             |  |
| And I had to let (21)        | go          |  |
| Some things I'll never know  |             |  |
| And I had to let them go     |             |  |
| I'm sitting all alone        |             |  |
| Feeling empty                |             |  |
| I can feel the pressure      |             |  |
| It's getting closer now      |             |  |
| We're (22) off               | without you |  |
| Feel the pressure            |             |  |
| It's getting (23)            | now         |  |
| You're (24) off              | without me  |  |
|                              |             |  |
