Fill in the gaps

I think we (1) an emergency	So are you watching me?
I think we have an emergency	Well, I can't pretend that I don't see this
If you thought I'd leave, then you were wrong	But it's (11) not your fault
'Cause I won't stop (2) on	When no one cares to talk about it
So are you listening?	Talk about it
So are you watching me?	'Cause I've seen (12) die
If you thought I'd leave, (3) you (4)	Way too (13) times
wrong	When it deserved to be alive
'Cause I won't stop holding on	(When it deserved to be alive)
This is an emergency	And I've seen you cry
So are you listening?	Way too many times
And I can't pretend (5) I don't see this	When you deserved to be alive
But it's really not your fault	Alive
When no one (6) to talk about it	Scars, they will not fade away
Talk about it	
'Cause I've seen love die	No one (14) to talk (15) it
Way too many times	To talk about it
When it deserved to be alive	'Cause I've seen (16) die
(When it deserved to be alive)	Way too many times
And I've seen you cry	When it (17) to be alive
Way too many times	(When it (18) to be alive)
When you (7) to be alive	And I've seen you cry
Alive	Way too many times
So you (8) up every chance you get	When you deserved to be alive
Just to feel new again	(You (19) to be alive)
I think we have an emergency	Alive
I think we have an emergency	
And you do your (9) to show me love
