Fill in the gaps

Coconut Tree by Mohombi & Nicole Scherzinger

I'll always remember		That's not the case tonight
Our summer in Hawaii		You gon' make me stay
(Aloha nui loa)		You gon' make me stay
Under the coconut tree we stay		You gon' (6) me stay forever
Fall and crash into me like a wave		You gon' make me stay
You bring the fool out my groove		You gon' make me stay
Baby, use your tubes		You gon' make me stay forever
Make me wanna change my ways		Sing it to me baby, that melody
Under the (1) tree		Well, I hear the drums
You be chilling with me		You gon' make me stay
Making love to you in a bedford room		You gon' lep it play
Made of sand and sea		Baby, turn it up, up
No place I'd rather be		You sound just like love
No one else I wanna please		You gon' make me stay
No one but you boo I got you		Baby, turn it up, up
Got the best of me		You sound just like love
(Heey-ey-ey!)		Just like love
Usually I'll be (2) (3)	the morning	(Heey-ey-ey!)
light		Usually I'll be gone before the morning light
(Ooh-oh-oh!)		(Ooh-oh-oh!)
But you best keep telling me		But you best keep telling me

You gon' make me stay		You gon' (7) me stay
You gon' make me stay		You gon' make me stay
You gon' make me stay forever		You gon' make me stay forever
