

Fill in the gaps

It (1) me not to know this	Because I don't know
But I've all but just forgotten	That's when she said I don't hate you boy
What the color of her (2) were	I just (18) to save you
And her scars or how she got them	While there's still (19) left to save
As the telling signs of age rain down	That's when I told her I (20) you girl
A (3) tear is dropping	But I'm not the answer
Through the valleys of an aging face	For the (21) that you still have
That this world has forgotten	(Oooh oooh)
There is no reconciliation	One thousand miles away
That will put me in my place	There's nothing left to say
And (4) is no time like the present	But so much left that I don't know
To (5) these draining seconds	We (22) had a choice
But seldom do (6) words ring true	This world is too (23) noise
When I'm constantly failing you	It takes me under
Like (7) (8) we (9) can't	It takes me under once again
break through	I don't hate you
Until we disappear	I don't hate you, no
So (10) me now	So (24) me now
If this ain't love then how do we get out?	If this ain't love then how do we get out?
Because I don't know	Because I don't know
That's when she said I don't hate you boy	That's when she said I don't hate you boy
I just want to save you	I just (25) to save you
While there's still something (11) to save	While there's still something left to save
That's when I (12) her I (13) you girl	That's (26) I told her I love you girl
But I'm not the answer	But I'm not the answer
For the questions that you (14) have	For the questions (27) you still have
(Oooh oooh)	(Oooh oooh)
But the day pressed on like crushing weights	I don't hate you
For no man does it (15) wait	I don't hate you
Like memories of (16) days	(Oooh oooh)
That deafen us like hurricanes	I don't (28) you
Bathed in flames we held the brand	I don't hate you, no
Uncurled the fingers in your hand	(Oooh oooh)
Pressed (17) the flesh like sand	
Now do you understand?	
So tell me now	
If this ain't love then how do we get out?
