

Fill in the gaps

Break through the undertow	Breatne
Your hands I can't seem to find	The air we give
Pollution (1) my tongue	The life we live
Cough words I can't speak so I	Our pulses racing distances
Stop my struggling	So wet my tongue
Then I (2) to the surface	Break (16) song
Fill my lungs with air	Through seas of competition
Then let it out	So (17) (18)
I give it all	A sacrifice
Now there's a (3) why I sing	Is not what we had in our minds
So give it all	I'm (19) (20)
And it's (4) reasons that (5) to	Home tonight
me	We give it all
Rock (6) where we live	Now there's a reason why I sing
And still we dig these trenches	So give it all
To (7) (8) in them	And it's these reasons that belong
Backs breaking (9) tension	Today I offer all myself to (21)_
For far too long these voices	(22) wish
Muffled by distances	I give it all
It's (10) to come to our senses	Now there's a reason
Up (11) the dirt	There's a reason
We give it all	To give it all
Now (12) a (13) why I	
sing	
So give it all	
And it's (14) to	
me
