

Fill in the gaps

Upside Down by Jack Johnson

Who's to say

What's impossible, well they forgot

This world keeps spinning

And with each new day

I can feel the change in everything

And as the surface breaks reflections fade

But in (1)_____ ways they remain the same

And as my mind (2)_____ to spread its wings

There's no stopping curiosity

I wanna turn the whole (3)_____ (4)_____
down

I'll find the things (5)_____ say just can't be found

I'll share this love I find with everyone

We'll sing and dance to (6)_____ Nature's songs

I don't want (7)_____ feeling to go away

Who's to say

I can't do everything

Well I can try

And as I roll along I begin to find

Things aren't always just what they seem

I want to turn the (8)_____ (9)_____ upside
down

I'll find the things they say just can't be found

I'll share this love I find with everyone

We'll sing and dance to Mother Nature's songs

This world keeps spinning and there's no

Time to waste

Well it all

Keeps spinning spinning round and round and

Upside down

Who's to say what's impossible

And can't be found

I don't want this feeling to go away

Please don't go away
