

## Fill in the gaps

Who's to say	Things aren't always just what (13) seem
What's impossible, well they forgot	I (14) to (15) the whole thing upside
This world keeps spinning	down
And (1) each new day	I'll (16) the things they say (17) can't be
I can feel the change in everything	found
And as the surface breaks reflections fade	I'll share (18) love I find with everyone
But in (2) (3) they remain the same	We'll (19) and dance to (20)
And as my mind (4) to spread its wings	Nature's songs
There's no (5) curiosity	This (21) spinning and there's
I (6) turn the whole (7) upside	no
down	Time to waste
I'll find the things they say (8) can't be found	Well it all
I'll share this love I find (9) everyone	Keeps spinning (23) round and round
We'll sing and dance to Mother Nature's songs	and
I don't want (10) feeling to go away	Upside down
Who's to say	Who's to say what's impossible
I can't do everything	And can't be found
Well I can try	I don't want (24) feeling to go away
And as I roll (11) I (12) to find	Please don't go away
	Is (25) how it's supposed to be
