For the Johnstown Company I come from (1)_____ in the valley But lately (4)__ ____ ain't been no work Where mister when you're young On account of the economy They bring you up to do Now all them things that seemed so important Like your (2)_____ done Well mister they vanished right into the air Me and Mary we met in high school I just act like I don't remember When she was just seventeen Mary acts like she don't care _____ us riding in my brother's car We'd drive out of this valley But I (5)__ Down to where the fields (3)____ Her body tanned and wet down at the reservoir __ green We'd go down to the river At (6)____ _____ on (7)_____ (8)____ I'd lie And into the river we'd dive awake (Oh oh) down to the river we'd ride And pull her close just to feel each breath she'd take _____ come back to haunt me Then I got Mary pregnant Now the (9)___ And man that was all she wrote They haunt me like a curse And for my nineteenth birthday Is a dream a lie if it don't come true I got a union card and a wedding coat Or is it something worse We went down to the courthouse That sends me down to the river And the judge put it all to rest Though I know the river is dry (Oh oh) down to the river tonight No wedding day smiles No walk down the aisle No flowers, no wedding dress Down to the river We went down to the river My baby and I And into the river we'd dive (Oh oh) down to the river we ride (Oh oh) down to the river we'd ride I got a job working construction
