Bundle up my whole style is so cold	Respect for hers
I glow like old guys who go bald	The game dried up, so we (5) with the grease
My flow got no front in the vocal	Leadin' ya right, and treatin' ya right, so peace
Your flow got no button, it's so old	They don't teach us the ABC's
I don't mean to sound like a showboat	We play on the hard concrete
But it's true, my persona's no joke	All we got is life on the streets
I stepped (1) some kinda portal	All we got is (6) on the streets
I'm (2) and sometimes I'm noble	They don't teach us the ABC's
I'm from the most risky zone (oh)	We play on the hard concrete
No place is more shifty global	All we got is life on the streets
More pistols, Russian revolvers	All we got is life on the streets
We shootin' all that is normal	Superman is known by the locals
But it ain't just because we want to	As this dude who's so fly it's global
We ain't got nowhere we can run to	Attitude that came outta struggle
Somebody please press the undo	Destitute but I make it hopeful
They only teach us the things that guns do	You real, but my real is tenfold
They don't teach us the ABC's	My real'll make yours a rental
We play on the (3) concrete	Gangsta if at ease, essential
All we got is life on the streets	Fight with guns or utensils
All we got is life on the streets	So bold, nothing's confidential
They don't teach us the ABC's	Breakfast was not continental
We play on the hard concrete	And lunch could not compliment all
All we got is life on the streets	We still become competent souls
All we got is life on the streets	These (7) ain't (8) with no
Rock, you know my era	gold
B-boy seasoning, salt and pepa	Matter fact (9) stole the light bulb
Grown and sexy, (4) with the extra	Nobody fat enough for lypo
Crushed up linen, fly like Cessna	They don't teach us to read and write, so
This type brew, I gave it birth	They don't teach us the ABC's
Now it's time again to give it a verse	We play on the hard concrete
Jamaican born, not a fan of the ganja	All we got is life on the streets
Boulevard, Brooklyn to Somalia	All we got is life on the streets
And it goes in the background	They don't teach us the ABC's
Playa, that is my sound	We play on the hard concrete
The green doesn't symbolize, I made it on the top	All we got is life on the streets
Pioneer legend and they call me Mr. Rock	All we got is life on the streets
No B word or N word, I don't need those words (no)
