| Bundle up my whole style is so cold                | Respect for hers                                  |
|--|---|
| l glow like old guys who go bald                   | The game dried up, so we (11) with the grease     |
| My flow got no front in the vocal                  | Leadin' ya right, and treatin' ya right, so peace |
| Your flow got no button, it's so old               | They don't teach us the ABC's                     |
| I don't mean to sound (1) a showboat               | We play on the hard concrete                      |
| But it's true, my persona's no joke                | All we got is life on the streets                 |
| I stepped into (2) kinda portal                    | All we got is (12) on the streets                 |
| I'm legend and (3) I'm noble                       | They don't teach us the ABC's                     |
| I'm from the most risky zone (oh)                  | We (13) on the hard concrete                      |
| No place is more shifty global                     | All we got is life on the streets                 |
| More pistols, Russian revolvers                    | All we got is life on the streets                 |
| We shootin' all (4) is normal                      | Superman is known by the locals                   |
| But it ain't (5) because we want to                | As this dude who's so fly it's global             |
| We ain't got nowhere we can run to                 | Attitude (14) came outta struggle                 |
| Somebody please press the undo                     | Destitute but I make it hopeful                   |
| They only teach us the things that guns do         | You real, but my (15) is tenfold                  |
| They don't teach us the ABC's                      | My real'll make yours a rental                    |
| We play on the hard concrete                       | Gangsta if at ease, essential                     |
| All we got is life on the streets                  | Fight with guns or utensils                       |
| All we got is life on the streets                  | So bold, nothing's confidential                   |
| They don't teach us the ABC's                      | Breakfast was not continental                     |
| We (6) on the hard concrete                        | And lunch (16) not compliment all                 |
| All we got is life on the streets                  | We (17) (18)                                      |
| All we got is life on the streets                  | (19) souls  |
| Rock, you know my era                              | These streets ain't paved with no gold            |
| B-boy seasoning, salt and pepa                     | Matter fact someone stole the light bulb          |
| Grown and sexy, come with the extra                | Nobody fat enough for lypo                        |
| Crushed up linen, fly (7) Cessna                   | They don't teach us to read and write, so         |
| This type brew, I gave it birth                    | They don't teach us the ABC's                     |
| Now it's (8) again to give it a verse              | We play on the hard concrete                      |
| Jamaican born, not a fan of the ganja              | All we got is life on the streets                 |
| Boulevard, Brooklyn to Somalia                     | All we got is (20) on the streets                 |
| And it goes in the background                      | They don't teach us the ABC's                     |
| Playa, that is my sound                            | We play on the hard concrete                      |
| The green doesn't symbolize, I made it on the top  | All we got is life on the streets                 |
| Pioneer (9) and they call me Mr. Rock              | All we got is life on the streets                 |
