

Fill in the gaps

If you (1) something to (2) me	So let there be love
Of how you (3) inside	'Cause it's everything we need
I (4) it is love	It's (14) the air (15) we breath
If you (5) a single question	And I know nothing can replace it
I want it to be this	It's always leaving traces
	Let there be love
Can you feel the love?	
Tell me now	Let (16) be love
So I know	Let there be love
Why it (6) you feel alive	Everything we need
Why it (7) to say goodbye	Let there be love
Why you'll (8) ever lose	Let there be love
What is meant to be with you	Let there be love
So let there be love	Everything we need
So let there be love	I (17) it's love
Sometimes you can live a (9) life	'Cause it's (18) we need
In (10) a single day	It's like the air (19) we breathe
Let the minutes flow	And I know nothing can replace it
When you hear (11) heartbeat harmonizing	It's always leaving traces
Yours and you (12) know	Let (20) be love
It's the feeling of	Let (21) be love
Something more	Let (22) be love
An open door	Everything we need
It will make you (13) alive	I hope it's love
It will hurt to say goodbye	I hope it's love
But you'll never ever lose	
What is meant to be with you	
So let there be love
