

Get a front door key to the (3)_____ mansion

Fill in the gaps

I'm through with standing in line	Gonna date a centerfold
To clubs we'll never get in	That loves to blow my money for me
It's like the bottom of the ninth	(So how you (4) do it?)
And I'm never gonna win	I'm gonna trade this life for fortune and fame
This life hasn't turned out	I'd (5) cut my hair and change my name
Quite the way I want it to be	'Cause we all just wanna be big rockstars
(Tell me what you want)	And live in hilltop houses driving fifteen cars
I want a brand new house on an episode of Cribs	The (6) come easy and the drugs come cheap
And a bathroom I can play baseball in	We'll all stay skinny
And a king size tub big enough for ten plus me	'Cause we just won't eat and we'll
(So what you need?)	Hang out in the coolest bars
I'll need a credit card that's got no limit	In the VIP with the movie stars
And a big black jet with a bedroom in it	Every good gold digger's gonna wind up there
Gonna join the mile high club	Every Playboy bunny
At thirty-seven thousand feet	With her bleach blond hair and we'll
(Been there, done that)	Hide out in the private rooms
I want a new tour bus full of old guitars	With the latest (7) and today's
My own star on Hollywood Boulevard	who's who
Somewhere between Cher	They'll get you anything with that evil smile
And James Dean is fine for me	Everybody's got a (8) dealer on speed dial, well
(So how you gonna do it?)	Hey, hey I wanna be a rockstar
I'm gonna trade this life for fortune and fame	I'm gonna sing those songs that offend the censors
I'd even cut my hair and change my name	Gonna pop my pills from a pez dispenser
'Cause we all just wanna be big rockstars	I'll get washed-up singers writing all my songs
And live in hilltop houses driving fifteen cars	Lip sync them every night so I don't get them wrong
The girls come easy and the drugs come cheap	Well we all just wanna be big rockstars
We'll all stay skinny	And live in hilltop houses driving fifteen cars
'Cause we just won't eat and we'll	The girls come easy and the drugs come cheap
Hang out in the coolest bars	We'll all stay skinny
In the VIP with the movie stars	'Cause we just won't eat and we'll
Every good gold digger's gonna (1) up there	Hang out in the coolest bars
Every Playboy bunny	In the VIP with the movie stars
With her bleach blond hair and we'll	Every good gold digger's gonna wind up there
Hey, hey I wanna be a rockstar	Every (9) bunny
Hey, hey I wanna be a rockstar	With her bleach blond hair and we'll
I wanna be great like Elvis without the tassels	Hide out in the private rooms
Hire (2) body guards that love to beat up	With the latest dictionary and today's who's who
assholes	They'll get you anything with that evil smile
Sign a couple autographs	Everybody's got a drug dealer on speed dial, well
So I can eat my meals for free	Hey, hey I (10) be a rockstar
(I'll have the quesadilla)	Hey, hey I wanna be a rockstar
I'm gonna dress my ass with the latest fashion	

Answ 1. wind
