Well it's (1) building up inside of me for (oh oh)	Don't worry baby (don't worry baby)
I don't know how long	Everything will turn out alright (don't (5) baby
I don't know why	Don't worry baby (don't (6) baby)
But I keep thinking something's bound to go wrong	She told me "baby, when you race today
But she looks in my eyes	Just take along my love with you
And (2) me realize	And if you know how much I loved you
And she says "don't worry baby"	Baby nothing could go wrong with you"
Don't worry baby (don't worry baby)	(Oh) what she (7) to me
Everything will turn out alright (don't worry baby)	When she makes love to me
Don't (3) baby (don't worry baby)	And she says "don't worry baby" (don't worry baby)
I guess I should've kept my mouth shut	Don't worry baby (don't worry baby)
When I started to brag about my car	Everything will turn out alright (don't worry baby)
But I can't back down now because	Don't worry baby (don't worry baby)
I pushed the other (4) too far	Everything will turn out alright (don't worry baby)
She makes me come alive	Don't (8) baby
And makes me wanna drive	
When she says "don't worry baby"
