

## Fill in the gaps

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
,
These ideas of mine percolate the mind
Trickle (1) the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a (2) skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (3) to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (4) bust open
The rib is the shell and heart is the yolk
And I just need a (5) for us both to choke or

Every single night's a fight with my brain
I (6) want to feel everything
I just want to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double king size bed
We could move in it and I'd soon forget
If (7) I am is what I am, 'cause I does what I does
And (8) I'd relax, let my breast just (9)
open
open My heart's made of parts of all that's around me
•
My heart's made of parts of all that's around me
My heart's made of parts of all that's around me And that's why the devil just can't get around me
My heart's made of parts of all that's around me And that's why the devil just can't get around me Every single night's alright
My heart's made of parts of all that's around me And that's why the devil just can't get around me Every single night's alright Every single night's a fight
My heart's made of parts of all that's around me And that's why the devil just can't get around me Every single night's alright Every single night's a fight And every single fight's alright with my brain
My heart's made of parts of all that's around me And that's why the devil just can't get around me Every single night's alright Every single night's a fight And every single fight's alright with my brain I just want to feel everything
