Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a (2)_____ skeleton
Trying to fit beneath the skin
I can't fit the (3)_____ in, no
Every (4)_____ night's a light with my brain
What do I say to her?
Why do I say it to her?
What (5)_____ she (6)_____ of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and (7)_____ is the yolk
And I (8)_____ need a meal for us (9)_____ to
choke on

Every single night's a fight with my brain
I just want to (10)_____ everything
I just (11)_____ to (12)_____ everything
I just want to (13)_____ everything
So I'm gonna try to be (14)_____ now
Gonna renounce the (15)_____ a little (16)_____
and
If we had a double (17)_____ size bed
We could move in it and I'd (18)_____ forget
If (19)_____ I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (20)_____ bust open
My heart's made of parts of all that's (21)_____ me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's (22)_____ with my brain
I just want to (23)_____ everything
I just want to feel everything
I (24)_____ (25)_____ to (26)_____ everything
I just want to feel everything
