Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ wings of white-flamed butterflies in my
brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, (2)_____ to a blaze
That's (3)_____ the pain comes in
Like a (4)_____ skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What (5)_____ she think of me?
That I'm not what I ought to be
That I'm (6)_____ I try not to be
It's got to be (7)_____ else's fault
I can't get caught
If what I am is (8)_____ I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna (9)_____ open
The rib is the shell and heart is the yolk
And I just need a (10)_____ for us both to
(11)_____ on

Every single night's a fight with my brain
I just want to feel everything
I just want to feel everything
I (12)_____ want to feel everything
So I'm (13)_____ try to be still now
Gonna (14)_____ the mill a little
(15)_____ and
If we had a double (16)_____ size bed
We (17)_____ move in it and I'd soon forget
If what I am is (18)_____ I am, 'cause I does
(19)_____ I does
And maybe I'd relax, let my (20)_____ just bust
open
My heart's made of parts of all that's (21)_____ me
And that's why the devil just can't get around me
Every (22)_____ night's alright
Every single night's a fight
And every single fight's alright with my brain
I (23)_____ want to feel everything
I (24)_____ want to feel everything
I (25)_____ (26)_____ to (27)_____ everything
I just want to feel everything
