

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little (1)_____ of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle (2)_____ the spine
Swarm the belly, (3)_____ to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit (4)_____ the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does (5)_____ I does
Then brother, get back
'Cause my breast's (6)_____ bust open
The rib is the shell and heart is the yolk
And I just need a (7)_____ for us both to choke on

Every single night's a fight with my brain
I just want to feel everything
I just (8)_____ to feel everything
I just (9)_____ to (10)_____ everything
So I'm gonna try to be still now
Gonna renounce the mill a (11)_____ while and
If we had a (12)_____ (13)_____
(14)_____ bed
We (15)_____ move in it and I'd soon forget
If what I am is what I am, 'cause I (16)_____
(17)_____ I does
And maybe I'd relax, let my breast just bust open
My heart's made of (18)_____ of all that's around me
And that's why the devil just can't get (19)_____ me
Every (20)_____ night's alright
Every single night's a fight
And (21)_____ single fight's alright with my brain
I (22)_____ want to feel everything
I just want to feel everything
I just want to feel everything
I just want to (23)_____ everything
