Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little wings of white-flamed (2)_____
in my brain
These ideas of mine (3)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every (4)_____ night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not (5)_____ I (6)_____ to be
That I'm (7)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is (8)_____ I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (9)_____ bust open
The rib is the shell and heart is the yolk
And I (10)_____ need a meal for us both to choke on

Every single night's a fight with my brain
I just want to (11)_____ everything
I just want to feel everything
I just (12)_____ to (13)_____ everything
So I'm gonna try to be (14)_____ now
Gonna renounce the mill a little while and
If we had a (15)_____ (16)_____
(17)_____ bed
We (18)_____ move in it and I'd soon forget
If what I am is (19)_____ I am, 'cause I does what I does
And maybe I'd relax, let my (20)_____
(21)_____ bust open
My heart's made of parts of all that's around me
And that's why the (22)_____ just can't get around me
Every single night's alright
Every single night's a fight
And (23)_____ single fight's (24)_____
(25)_____ my brain
I just want to (26)_____ everything
I (27)_____ want to (28)_____ everything
I (29)_____ want to feel everything
I just want to feel everything
