Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed (1) _____
in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, (2) _____ to a blaze
That's when the pain comes in
Like a (3) _____ skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (4) _____ with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (5) _____ to be
That I'm (6) _____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (7) _____ bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to (8) _____ on

Every single night's a fight with my brain
I just (9) _____ to feel everything
I just (10) _____ to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a (11) _____ while and
If we had a double king size bed
We could (12) _____ in it and I'd soon forget
If (13) _____ I am is (14) _____ I am, 'cause I
(15) _____ (16) _____ I does
And maybe I'd relax, let my breast just bust open
My heart's made of parts of all that's (17) _____ me
And that's why the devil just can't get around me
Every single night's alright
Every (18) _____ night's a fight
And (19) _____ single fight's (20) _____
with my brain
I (21) _____ want to feel everything
I (22) _____ (23) _____ to feel everything
I just want to feel everything
I just want to feel everything
