

Every single night, I endure the flight

Fill in the gaps

Of	(1)		wings of wl	nite-flan	ned bu	utterflies	in my	
brain								
The	ese	(2)		of	(3)			
(4)_			the mind	t				
Trickle down the spine								
Swarm the belly, swelling to a blaze								
That's when the pain comes in								
Like	e a (5)_		skeleton					
Trying to fit beneath the skin								
I can't fit the feelings in, no								
Every single night's a light with my brain								
What do I say to her?								
Why do I say it to her?								
What does she think of me?								
That I'm not what I ought to be								
That I'm what I try not to be								
It's got to be somebody else's fault								
I ca	ın't get ca	aught						
If w	hat I am	is what I ar	m, 'cause I	(6)		what I do	oes	
The	en brothe	r, get back						
'Ca	use my b	reast's gor	nna bust ope	n				
The	rib is th	e shell and	heart is the	yolk				
And I just need a meal for us both to choke on								

Every single night's a fight with my brain						
I just want to feel everything						
I just want to feel everything						
I just want to feel everything						
So I'm gonna try to be (7) now						
Gonna renounce the mill a little (8) and						
If we had a double king size bed						
We could move in it and I'd soon forget						
If what I am is what I am, 'cause I does what I does						
And maybe I'd relax, let my breast (9) bust open						
My heart's made of parts of all that's around me						
And that's why the devil just can't get around me						
Every single night's alright						
Every single night's a fight						
And every single fight's alright with my brain						
I just want to feel everything						
I just want to feel everything						
I just want to feel everything						
I just (10) to feel everything
