You'll Be In My Heart by Phil Collins

Now and forever more

Fill in the gaps

Come stop your crying		Don't listen to them
It will be alright		Cause (4) do they know?
Just take my hand		We (5) each other
Hold it tight		To have, to hold
I will protect you		They'll see in time
From all (1) you		I know
I will be here		When destiny calls you
Don't you cry		You must be strong
For one so small		I may not be with you
You seem so strong		But you've got to hold on
My arms will hold you		They'll see in time
Keep you safe and warm		I know
This bond between us		We'll show them together
Can't be broken		'Cause you'll be in my heart
I will be here don't you cry		Believe me, you'll be in my heart
'Cause you'll be in my heart		I'll be there (6) this day on
Yes, you'll be in my heart		Now and forever more
From this day on		Oh you'll be in my heart
Now and forever more		(You'll be here in my heart)
You'll be in my heart		No matter what they say
No matter what they say		(I'll be with you)
You'll be (2) in my heart		You'll be here in my heart
Always		I'll be there always
Why can't they understand		Always
The way we feel		I'll be with you
They just don't trust		I'll be (7) for you always
What they can't explain		Always and always
I know we're different but		Just (8) over your shoulder
Deep inside us		Just look over your shoulder
We're not that (3)	at all	Just (9) over your shoulder
And you'll be in my heart		I'll be (10) always
Yes, you'll be in my heart		
From this day on
