

Crush by Jennifer Paige

(Ah, crush, ah...)

See you blowin' me a kiss

It doesn't take a scientist

To understand what's goin' on baby

If you see somethin' in my eye

Let's not over analyze

Don't go too deep with it baby (baby)

So let it be, what it'll be

Don't make a (1)_____ and go crazy (2)_____ you

and me

Here's what I'll do, I'll be loose

Not like we have a date with destiny

It's just, a little (3)_____ (crush)

Not like I faint, every (4)_____ we touch

It's just, some little thing (crush)

Not like (5)_____ thing I do

Depends on you

(Sha la la la)

(Sha la la la)

It's raisin' my adrenalin'

You're bangin' on a heart of tin

Please don't make too much of it, baby (baby)

Say the word "forever" more

That's not what I'm lookin' for

All I can commit to is maybe (maybe)

So let it be

What it'll be

Don't make a fuss and go crazy over you and me...

Here's what I'll do, I'll be loose

Fill in the gaps

Not (6)_____ we have a date (7)_____ destiny (oh, oh...)

It's just, a little crush (crush)

Not like I faint, every time we touch

It's just, some little thing (crush)

Not (8)_____ every thing I do

Depends on you

(Sha la la la)

(Sha la la la)

Vanilla skies (vanilla skies)

White picket fences in your eyes

A vision of you and me (and me...)

It's just, a little crush (crush)

Not like I faint, every time we touch

It's just, some little thing (crush)

Not like every thing I do

Depends on you

(Sha la la la)

Not like I faint, every time we touch

It's just, some little thing

Not like (9)_____ thing I do

Depends on you

(Sha la la la)

Not like I faint, every time we touch

(It's just, some little thing)

...

Fill in the gaps

Answer

1. fuss
2. over
3. crush
4. time
5. every
