

## Fill in the gaps

Elevator buttons and (1) air	But this love is ours
Stranger's silence makes me wanna (2) the stairs	And it's not theirs to speculate if it's wrong and
If you (3) here	Your hands are though
We'd laugh about their (4) stares	But they are (18) mine belong in
But right now, my time is theirs	I'll fight their (19) and give you faith
Seems like there's always (5) who	With this song for you
disapproves	'Cause I love the gap between your teeth
They'll judge it like they know about me and you	And I love the riddles that you speak
And the verdict comes from those with nothing else to do	And any (20) (21) from m
The jury's out, but my (6) is you	father
So don't you (7) (8) pretty little mind	About your (22) (23) be ignored
People throw rocks at things (9) shine	'Cause my heart is yours
And (10) makes love look hard	So don't you worry your (24) little mind
The stakes are high, the water's rough	People throw (25) at things that shine
But this love is ours	And life makes love look hard
You never (11) what people have up	Don't you (26) (27) pretty little mind
(12) sleeves	People throw rocks at things that shine
Ghosts (13) your past gonna (14) out at	But they can't take what's ours
me	They can't take what's ours
Lurking in the shadows with their lip gloss smiles	The stakes are high, the water's rough
But I don't care 'cause right now you're mine	But this love is ours
And you'll say don't you (15) your pretty	
(16) mind	
People throw rocks at things (17) shine	
And life makes love look hard	
The stakes are high, the water's rough
