| It's hard to believe that it (1) to this | Oh there's a (13) without you |
|--|--|
| You paralysed my body (2) a poison kiss | I see the light |
| For 40 days and (3) I was chained to your bed | Living in a world (14) you |
| You thought that was the end of the story | Oh (15) is hope to guide me |
| Something inside me (4) freedom came alive | I will survive |
| Living in a (5) without you | Living in a (16) without you |
| You told me my darling | Its hard to believe that it came to this |
| Without me you're nothing | You paralysed my body with a poison kiss |
| You taught me to look in your eyes | For 40 days and nights I was chained to your bed |
| And fed me your (6) lies | You (17) (18) was the end of |
| Suddenly someone will stare in the window | the story |
| Looking outside at the sky that had never been blue | Something inside me called freedom came alive |
| Oh there's a world (7) you | Living in a world (19) you |
| I see the light | Its hard to believe that it came to this |
| Living in a world (8) you | You (20) my (21) with a |
| Oh there is hope to (9) me | poison kiss |
| I will survive | For 40 days and nights I was chained to your bed |
| Living in a world without you | You thought that was the end of the story |
| Its (10) to believe that it (11) to this | Something (22) me (23) |
| You paralysed my body with a poison kiss | freedom (24) alive |
| For 40 days and nights I was chained to your bed | Living in a world without you |
| You (12) that was the end of the story | Oh there's a world without you |
| Something inside me called freedom came alive | I see the light |
| Living in a world without you | Living in a world without you |
| You put me together | Oh there is (25) beside me |
| Then trashed me for pleasure | I (26) survive |
| You used me again and again | Living in a world without you |
| Abused me, confused me | Living in a (27) (28) you |
| Suddenly naked I run through your garden | Living in a world without you |
| Right through the gates of the past and I'm finally free | Living in a world without you |
| | Living in a world without you |
