Living In A World Without You by The Rasmus

It's hard to (1) that it came to this	Oh there's a world without you
You paralysed my body with a poison kiss	I see the light
For 40 days and nights I was chained to your bed	Living in a world without you
You (2) that was the end of the story	Oh there is hope to guide me
Something (3) me called freedom came alive	I will survive
Living in a world without you	Living in a world without you
You (4) me my darling	Its hard to believe that it came to this
Without me you're nothing	You paralysed my body with a poison kiss
You taught me to look in your eyes	For 40 days and nights I was chained to your bed
And fed me (5) sweet lies	You thought that was the end of the story
Suddenly someone (6) stare in the window	Something inside me called freedom came alive
Looking outside at the sky that had never been blue	Living in a world without you
Oh there's a world without you	Its hard to believe that it came to this
I see the light	You paralysed my body with a poison kiss
Living in a world without you	For 40 days and nights I was (10) to your
Oh there is hope to guide me	bed
I (7) survive	You thought that was the end of the story
Living in a world without you	Something inside me called freedom came alive
Its hard to (8) that it came to this	Living in a world without you
You paralysed my body with a poison kiss	Oh there's a world without you
For 40 days and nights I was chained to your bed	I see the light
You thought that was the end of the story	Living in a world without you
Something inside me called freedom came alive	Oh there is hope beside me
Living in a world without you	I will survive
You put me together	Living in a world without you
Then trashed me for pleasure	Living in a world without you
You used me again and again	Living in a world without you
Abused me, confused me	Living in a world without you
Suddenly naked I run through your garden	Living in a world without you
Right through the (9) of the past and I'm finally
