

## Fill in the gaps

## Man In The Rain by Mike Oldfield & Cara Dillon

You're the one who's nearly (1) my heart	There's (14) (15) to ride that train
Had your chance, you just (2) it all away	And you must be on your way tonight
Living in a world that you could (3) be a part of	Think anew (16) through, you're a man in the
And now's the time to walk away	rain
You can't stay, no, you can't stay	How's it feel when there's
You're no loser	Time to remember?
There's (4) time to ride that train	Branches (17) like the
And you must be on (5) way tonight	Trees in November
Think anew (6) through, you're a man in the rain	How's it feel when there's
What's the use in hanging round (7) walls	Time to remember?
Lamps are burning, but nobody's at home	Branches bare like the
There's a new day dawning as a (8) rain falls	Trees in November
And now's the time to (9) alone	(Threw it all away)
You can't stay, no, you can't stay	You can't stay, no, you can't stay
You're no loser	You're no loser
There's still time to ride (10) train	There's still time to (18) that train
And you must be on your way tonight	And you must be on your way tonight
Think anew (11) through, you're a man in the	Think anew right through, you're a man in the rain
rain	Threw it all away
How's it (12) when there's	Threw it all away
Time to remember?	And now's the time to walk away
Branches (13) like the	You can't stay, no, you can't stay
Trees in November	You're no loser
Had it all	There's (19) to ride that train
Threw it all away	And you (21) be on (22) way tonight
Now's the time to walk away	(Think anew (23) through, you're a man in the
You can't stay, no, you can't stay	rain)
You're no loser
