From Sarah With Love by Sarah Connor

or so many years we were friends	I'm sending a letter each day
And yes I always knew what we could do	From Sarah with (17)
But so many tears in the rain	She took (18) to the
Felt the night you said	(20) above
That love had come to you	And (21) told her it is true
thought you were not my kind	She could dare to fall in love with you
thought that I could never feel for you	So (22) (23) her blue when she
The passion and love you were feeling	writes to you
And so you left	From Sarah with love
For someone new	From Sarah with (24)
And now that you're far and away	She'd got the lover she is dreaming of
'm sending a (1) today	She never found the words to say
From (2) with love	But I know that today
She'd got the lover she is dreaming of	She's gonna send her letter to you
She never found the words to say	From Sarah with love
But I know that (3)	She's gotta (25) what you are thinking of
She's gonna send her letter to you	cause every little now and then
From Sarah with (4)	And again and (26)
She took (5) picture to the stars above	I know her heart cries out for you
And (6) told her it is true	From Sarah with love
She could dare to fall in love (7) you	She'd got the (27) she is dreaming of
So don't (8) her blue when she writes to you	Never found - words to say, ahh
From (9) with (10)	But today, but today
So (11) the (12) for romance	From Sarah with love
s like a train to catch (13) it's gone	She took your (28) to the stars above
And maybe it's just an illusion	And (29) told her it is true
To hope (14) the (15)	She could dare to fall in love with you
You'll (16) the sun	So don't make her blue when she writes to you
But I'll keep on hoping and praying	From Sarah with love
There will be a day when we meet again	Coda:
And I'll keep on waiting and dreaming	And they told her it is true
You're strong enough	She could dare to fall in love with you
To understand	So don't make me blue when I write to you
As long as you're so far away	From Sarah with love
