## I'm A Slave 4 U by Britney Spears

## Fill in the gaps

I know I may be young	Get it get it, get it get it (whoa)
But I've got feelings too	Get it get it, get it get it (whoa)
And I need to do what I feel like doing	Get it get it, get it get it (oh)
So let me go and just listen	I really want to dance, tonight with you
All you people look at me like I'm a little girl	(I just can't help myself)
Well did you ever think it be okay	I really want to do what you want me to
For me to step into this world	(I (6) feel I let (7) go)
Always (1) little (2) don't step into	I really want to dance, tonight with you
the club	(Wanna see you move)
Well I'm (3) tryin' to find out why	I really want to do what you want me to
Cause dancing is what I love	(Uh uh uh)
Get it get it, get it get it (whoa)	Baby, don't you (8) to, dance upon me
Get it get it, get it get it	(I just want to dance next to you)
Do you like it (whoa)	To another time and place
Get it get it, get it get it (oh)	(Oh) Baby, don't you (9) to, dance upon me
(This feels good)	(Are you ready)
I know I may come off quiet	Leaving behind my name, my age
I may come off shy	I'm a slave for you (take that)
But I feel like talking, feel like dancing	I cannot hold it, I cannot control it
When I see this guy	I'm a slave (It just feels right) for you
What's practical is logical	(It just feels good)
What the hell, who cares?	I won't deny it, I'm not trying to hide it baby
All I know is I'm so happy	Get it get it, get it get it (whoa)
When you're (4) there	Get it get it, get it get it (whoa)
I'm a slave for you	Get it get it, get it get it (oh)
I cannot hold it, I cannot control it	Get it get it, get it get it (whoa)
I'm a slave for you	Get it get it, get it get it (whoa)
I won't deny it, I'm not trying to hide it	Get it get it, get it get it (oh)
Baby, don't you want to, dance upon me	I'm a slave for you (here we go now)
(I just want to dance next to you)	I cannot hold it, I cannot control it
To another time and place	I'm a slave for you (here we go)
Oh baby, don't you (5) to, dance upon me	I won't (10) it (yeah)
(Are you ready)	I'm not trying to hide it
Leaving behind my name, my age	(Like that)
(Lets go)	
(Like that)	
(Now watch me)
