To be kicked when you're down

Fill in the gaps

Welcome To My Life by Simple Plan

Do you ever feel like breaking down?	To (7) like you've been pushed (8)
Do you (1) feel out of place?	
Like somehow you just don't belong	To be on the edge of breaking down
And no one understands you	And no one's there to save you
Do you ever want to run away?	No you don't know what it's like
Do you lock yourself in your room?	Welcome to my life
With the radio on turned up so (2)	No one ever lied straight to your face
That no one hears you screaming	And no one (9) stabbed you in the back
No you don't know what it's like	You might think I'm happy
When nothing feels alright	But I'm not gonna be ok
You don't know what it's like	Everybody always gave you what you wanted
To be (3) me	You never had to work
To be hurt, to (4) lost	It was always there
To be left out in the dark	You don't know what it's like
To be kicked when you're down	What it's like
To feel like you've (5) pushed around	To be hurt, to feel lost
To be on the edge of (6) down	To be left out in the dark
And no one's there to save you	To be kicked when you're down
No you don't know what it's like	To feel like you've been pushed around
Welcome to my life	To be on the edge of breaking down
Do you wanna be somebody else?	And no one's there to save you
Are you sick of feeling so left out?	No you don't know what it's like (what it's like)
Are you desperate to find something more	To be hurt
Before your life is over?	To feel lost
Are you stuck inside a world you hate?	To be left out in the dark
Are you sick of everyone around?	To be kicked
With their big fake smiles and stupid lies	When you're down
While deep inside you're bleeding	To feel like you've been pushed around
No you don't know what it's like	To be on the edge of breaking down
When nothing feels alright	And no one's (10) to save you
You don't know what it's like	No you don't know what it's like
To be like me	Welcome to my life
To be hurt, to feel lost	Welcome to my life
To be left out in the dark	Welcome to my life
