

Fill in the gaps

Lighters by Bad Meets Evil & Bruno Mars

This one's for you and me

Livin' out our dreams

We're all right where we should be

Lift my arms out wide

I open my eyes

And now all I wanna see

Is a sky full of lighters

A sky full of lighters

By the time you hear this I will have already spiraled up

I (1)_____ never do (2)_____ to let you cowards fuck my world up

If I was you, I would duck, or get struck like lightning

Fighters keep fighting

Put you lighters up, point em' skyward, uh

Had a dream I was king, I woke up, (3)_____ king

This rap game's nipple is mine for the milking

Till nobody else even fucking feels me, till it kills me

I swear to God I'll be the fucking illest in this music

There is or there (4)_____ will be, disagree

Feel free, but (5)_____ now on I'm refusing to ever give up

The only thing I ever gave up's using, no more excuses

Excuse me if my head is too big for this building

And pardon me if I'm a cocky prick, but you cocks are slick

Poppin' (6)_____ on how you flipped ya life around, crock-o-shit

Who you dicks try to kid, flipped dick, you did the opposite

You stayed the same

'Cause cock backwards is still cock, you pricks

I love it when I (7)_____ 'em shove it 'cause it wasn't that

Long ago when (8)_____ sat, luster lacked, flustered

'Cuz he couldn't cut mustard, muster up nothing

Fill in the gaps

Brain fuzzy, 'cause he's buzzin'

Woke up from that buzz, and now you wonder

Why he does it, how he does it

Wasn't 'cause he has buzzards circle around his head

Waiting for him to drop dead, was it

Or was it 'cause them (9)_____ wrote him off

Little hussy ass, 'cause fuck

Guess it doesn't matter now, does it

What difference it make

What's it take, to get it through your thick skulls

If this ain't

Some bullshit (10)_____ don't usually (11)_____ back this way

From a place that was dark

As I was in (12)_____ to get to this place

Now let (13)_____ words be (14)_____ a switch blade

To a hater's ribcage

And let be known from this day forward

I wanna just say thanks

'Cause your hate is what gave me the strength

So let 'em Bics raise 'cause I came with 5'9"

But I feel like I'm 6'8"

This one's for you and me, livin' out our dreams

We're all (15)_____ where we should be

Lift my arms out wide

I open my eyes

And now all I wanna see

Is a sky full of lighters

A sky full of lighters

By the time you hear this I'll probably already be outtie

I advance like going from toting iron to going

Fill in the gaps

And buying 4 or 5 of the homies the iron man Audi

My daddy told me "Slow down, boy, you (16)_____ to blow it."

And I ain't gotta stop the (17)_____ a minute

To tell Shady I love him the same way

That he did Dr. Dre on The Chronic

Tell him how real he is or how high I am

Or how I would kill for him to know it

I cried plenty tears, my daddy got a bad back

So it's only right that I (18)_____ 'till he can march right

Into that post office and (19)_____ 'em to hang it up

Now his career's Lebron's jersey in 20 years

I'll stop when I'm at the very top

You shitted on me on your way up

It's 'bout to be a scary drop

'Cause what goes up must come down

You (20)_____ down on something

You (21)_____ wanna see, (22)_____ a hairy box

Every hour, happy hour now

Life is wacky now

Used to have to eat the cat to get the pussy

Now I'm just the cats meow (ow)

Classic cow, always down for the (23)_____ weight like Pacquiao

Ya'll are doomed

I remember when T-Pain ain't wanna (24)_____ with me

My car starts itself, parks itself, and autotunes

'Cause now I'm in the Aston

I went (25)_____ having my city locked up

To getting treated like Kwame Kilpatrick

And now I'm fantastic

Compared to a weed high

Fill in the gaps

And y'all (26)_____ just gossipin' like (27)_____ on a radio and TV

See me, we fly

Y'all buggin' out like Wendy Williams staring at a beehive

And how real is that

I remember signing my first deal

And now I'm the second best, I can deal with that

Now Bruno can show his ass, without the MTV Awards gag

You and I know what it's like

To be kicked down, forced to fight

But tonight

We're alright

So hold up your light

Let it shine

'Cause this one's for you and me

Livin' out our dreams

We're all (28)_____ where we (29)_____ be

Lift my (30)_____ out wide

I open my eyes

And now all I wanna see

Is a sky full of lightets
