Ain't No Other Man by Christina Aguilera

(Hey)	Ain't no other man that can (17) up next to you
(Do your (1) honey)	Ain't no (18) man on the planet, (19)
could (2) it from the start	what you do (do)
Couldn't (3) to be apart	You're the (20) guy a girl finds, in a blue moon
Something about you (4) my eye	You got (21) (soul), you got class (class)
Something moved me deep inside	You got style with your badass (yeh yeh yeah)
don't know what you did boy, but you had it	Ain't no (22) man it's true
And I've been (5) ever since	Ain't no other man but you
told my mother, my brother	(Break it down now)
My sister and my friends	Ain't no other, ain't, ain't, no other, other
Told the others (others), my (6) (lovers)	Ain't no other, ain't, ain't, no other lover
Both past and present tense (oh right)	Ain't no other, I, I, I need no other
That (7) time I see you	Ain't no other man but you
Everything starts making sense	You are there when I'm a mess
(Do your thing honey)	Talk me down from every ledge
Ain't no (8) man that can stand up next to you	Give me strength, boy you're the best
Ain't no other man on the planet, does (9) you do	You're the only one who's ever passed (23) test
You're the kinda guy a girl finds, in a blue moon	Ain't no other man that can stand up next to you
You got soul, you got class	(Next to you)
You got (10) with your badass (oh yeah)	Ain't no other man on the planet, does what you do
Ain't no other man it's (11) (all right)	You're the kinda guy a girl finds, in a blue moon
Ain't no other man but you	You got soul, you got class
Never thought I'd be alright (no no no)	You got (24) (25) your badass
Till you came and changed my life (yeh yeh yeah)	Ain't no other man it's true
What was cloudy now is (12) (yeh yeh)	Ain't no other man but you
You're the (13) that I needed	And now I'm telling you
You got what I want boy, and I want it	So ain't no (26) man but you (hey)
So keep on giving it up	Ain't no other man that can stand up next to you
So tell your mother, (14) brother	Ain't no other man on the planet, does what you do
Your sister and your friends	You're the kinda guy a girl finds, in a blue moon
(Your (15) and your friends)	You got soul, you got class
Tell the others, your lovers (lovers)	You got style with your badass (don't you know)
Better not be (16) tense	Ain't no other man it's true
Cause I want everyone to know	Ain't no other man but you
That you are mine and no one else's
