| The (1) in the morning                          |
|---|
| Of lovers (2) tight                             |
| Are (3) back (4) now                            |
| As I look in (6) eyes                           |
| I (7) on to your body                           |
| And feel (8) you make                           |
| Your voice is (10) and tender                   |
| A love that I (11) not forsake                  |
| 'Cause I'm your lady                            |
| And you are my man                              |
| Whenever you reach for me                       |
| l'II do all (12) I can                          |
| We're heading for something                     |
| Somewhere I've (13) been                        |
| Sometimes I am frightened but I'm (14) to learn |
| Of the (15) of love                             |
| The sound of your heart beating                 |
| Made it (16) suddenly                           |
| The (17) that I can't go on                     |
| ls (18) years away                              |
| 'Cause I'm (19) lady                            |
| And you are my man                              |
| Whenever you (20) for me                        |
| I'm gonna do all that I can                     |
| We're (21) for something                        |
| Somewhere I've (22) been                        |
| Sometimes I am frightened but I'm (23) to learn |
