

## Fill in the gaps

	Nobody's a picture perfect
There's a place that I know	But we're worth it
It's not pretty (1) and few have ever gone	You know (14) we're (15) it
If I show it to you now	Will you love me?
Will it make you run away	Even (16) my dark side?
Or will you stay	Don't run away
Even if it hurts	Don't run away
Even if I try to (2) you out	Just tell me that you (17) stay
Will you return?	Promise me you (18) stay
And remind me who I really am	Don't run away
Please remind me who I really am	Don't run away
Everybody's got a (3) side	Just promise me you will stay
Do you love me?	Promise me you will stay
Can you (4) mine?	Will you love me?
Nobody's a (5) perfect	(Oh)
But we're worth it	Everybody's got a (19) side
You (6) that we're (7) it	Do you love me?
Will you (8) me?	Can you (20) mine?
Even with my dark side?	Nobody's a picture perfect
Like a diamond n	But we're worth it
From (9) dust	You (21) that we're worth it
It's (10) to know	Will you love me?
It can become	Even (22) my dark side?
A few (11) up	Don't run away
So don't (12) up on me	Don't run away
Please remind me who I really am	Don't run away
Everybody's got a dark side	Promise me you (23) stay
Do you (13) me?	
Can you love mine?
