it

	Nobody's a picture perfect
There's a place (1) I know	But we're worth it
It's not (2) there and few have ever gone	You (6) that we're worth it
If I show it to you now	Will you love me?
Will it make you run away	Even with my dark side?
Or will you stay	Don't run away
Even if it hurts	Don't run away
Even if I try to push you out	Just tell me that you will stay
Will you return?	Promise me you (7) stay
And remind me who I really am	Don't run away
Please remind me who I really am	Don't run away
Everybody's got a dark side	Just promise me you will stay
Do you love me?	Promise me you will stay
Can you love mine?	Will you love me?
Nobody's a picture perfect	(Oh)
But we're (3) it	Everybody's got a dark side
You know that we're worth it	Do you love me?
Will you love me?	Can you (8) mine?
Even with my dark side?	Nobody's a picture perfect
Like a diamond n	But we're (9) it
From black dust	You know that we're (10)
It's hard to know	Will you love me?
It can become	Even with my dark side?
A few (4) up	Don't run away
So don't give up on me	Don't run away
Please remind me who I (5) am	Don't run away
Everybody's got a dark side	Promise me you will stay
Do you love me?	
Can you love mine?
