

And in her eyes you see nothing

## Fill in the gaps

You day breaks		No sign of love behind the tears			
You mind aches		Cried for no one			
You find that all the words			A love that should have lasted years		
Of kindness linger on			You stay home		
When she no (1)	(2)	you	She goes out		
She wakes up		She says that long ago she (4) someone			
She makes up		But now hes gone			
She takes her time			She doesnt (5) him		
And doesnt feel she has to hurry			Your day breaks		
She no longer needs you			Your mind aches		
And in her eyes you see nothing			There will be time when all the things she said		
No sign of (3) behind the tears			Will fill your head		
Cried for no one			You wont (6)	her	
A love that should have lasted years			And in her eyes you see nothing		
You want her			No sign of (7)	behind the tears	
You need her			Cried for no one		
And yet you dont believe her			A love that (8)	(9)	_ lasted years
When she said her love is dead					
You think she needs you
