What's the difference of never knowing at all?	There's nothing to explain
When every (1) I take is always too small	No matter what you say
Maybe it's (2) something I can't admit	Nothing's gonna (7) my mind
But lately, I feel like I don't give a ***	Can't depend on doubt until the end
Motivation such an aggravation	It seems like (8) friends has become
Accusations don't know how to take them	This years trend and though I can't pretend
Inspiration's getting hard to fake it	A friend (9) be this way
Concentration's never hard to break it	It's not the same but who's to blame
Situation never what you (3) it to be	For all those stupid things I never said
What's the point of never making mistakes?	Motivation such an aggravation
Self-indulgence is such a (4) (5) to	Accusations don't know how to take them
break	Inspiration's getting hard to fake it
It's all just a waste of time in the end	Concentration's never hard to break it
Don't care, so why should I even pretend	Motivation such an aggravation
Motivation such an aggravation	Accusations don't (10) how to take them
Accusations don't know how to take them	Inspiration's getting hard to fake it
Inspiration's getting hard to fake it	Concentration
Concentration's never hard to break it	Situation never what you want it to be
Situation never what you want it	Never what you want it to be
Nothing's new, everything's the same	Never what you want it to be
Keeps on dragging me down	
It's getting (6) of lame
