

Fill in the gaps

	I don't (10) so insecure
Everybody's got their problems	Anymore
Everybody says the same (1) to you	Everybody's got (11) problems
It's (2) a matter how you (3) them	Everybody says the same things to you
And knowing how to change the things	It's (12) a (13) how you
You've (4) through	(14) them
I feel I've (5) to realize	But (15) else are we supposed to do
How fast life can be compromised	Part of me, won't agree
Step (6) to see what's (7) on	Cause I don't (16) if it's for sure
I can't beleive this happened to you	Suddenly, suddenly
This happened to you	I don't feel so insecure
It's just a (8) that I'm faced with am I	Part of me, won't agree
Not the only one who hates to stand by	Cause I don't know if it's for sure
Complications (9) are first in this line	Suddenly, suddenly
With all these pictures running through my mind	I don't feel so insecure
Knowing endless consequences	Anymore
I feel so useless in this	Why do things that matter the most
Get back, step back, and as for me	Never end up being (17) we chose
I can't believe	Now (18) I find no way so bad
Part of me, won't agree	I don't think I (19) (20) I had
Cause I don't know if it's for sure	Why do (21) that matter the most
Suddenly, suddenly	Never end up (22) (23) we chose
I don't feel so insecure	Now that I (24) no way so bad
Part of me, won't agree	I don't think I knew what I had
Cause I don't know if it's for sure	
Suddenly, suddenly
