

Fat Lip by Sum 41

Fill in the gaps

...
Storming through the party
Like my name was El Niño
When I'm hanging out drinking
In the back of an El Camino
As a kid
Was a skid
And no one knew me by name
Trashed my own house party
'Cause (1)_____ came
I know I'm not the one
You thought you knew back in high school
Never going, never showing up (2)_____ we had to
Attention that we crave, don't (3)_____ us to behave
I'm sick of always hearing "act your age"
I don't wanna waste my time
Become another casualty of society
I'll never (4)_____ in line
Become another victim of your conformity
And back down
Because you don't
Know us at all
We laugh when old people fall
But what would you expect
With a (5)_____ so small?
Heavy metal and mullets
It's how we were raised
Maiden and Priest
Were the gods that we praised
'Cause we like having fun
At other people's (6)_____ and
Cutting people (7)_____ is just a minor offense then
It's none of your concern
I guess I'll never learn
I'm sick of being told to wait my turn
I don't wanna waste my time
Become another casualty of society
I'll (8)_____ fall in line
Become another victim of your conformity

And back down
Don't count on me
To let you know when
Don't (9)_____ on me
I'll do it again
Don't count on me
It's the point you're missing
Don't count on me
'Cause I'm not listening
Well I'm a
No good nick lower middle class brat
(Backpacked)
And I don't give
About nothing
You be standing on the corner
Talking all that kuffuffin
Well you don't make sense
From all the gas you
'Cause if the egg don't stain
You'll be ringing off the hook
You're on the hit list
Wanted in the (10)_____ book
I like songs with distortion
To drink in proportion
The dentist said my mom
Should've had an abortion
...
I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity
And back down
(Waste my time with them) casualty of society
(Waste my time with them)
Victim of your conformity
And back down
...

Answer

1. nobody
2. when
3. tell
4. fall
5. conscience
6. expense
7. down
