

Fat Lip by Sum 41

Fill in the gaps

...
Storming through the party
Like my name was El Niño
When I'm hanging out drinking
In the (1)_____ of an El Camino
As a kid
Was a skid
And no one (2)_____ me by name
Trashed my own house party
'Cause nobody came
I (3)_____ I'm not the one
You thought you knew back in high school
Never going, never showing up when we had to
Attention that we crave, don't tell us to behave
I'm (4)_____ of always (5)_____ "act your
age"
I don't wanna waste my time
Become (6)_____ casualty of society
I'll never fall in line
Become (7)_____ victim of your conformity
And (8)_____ down
Because you don't
Know us at all
We laugh (9)_____ old people fall
But what (10)_____ you expect
With a (11)_____ so small?
Heavy (12)_____ and mullets
It's how we were raised
Maiden and Priest
Were the gods that we praised
'Cause we like having fun
At other people's expense and
Cutting (13)_____ down is just a (14)_____
offense then
It's none of your concern
I guess I'll (15)_____ learn
I'm sick of being (16)_____ to wait my turn
I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity

And back down
Don't count on me
To let you know when
Don't count on me
I'll do it again
Don't count on me
It's the point you're missing
Don't count on me
'Cause I'm not listening
Well I'm a
No good nick lower middle class brat
(Backpacked)
And I don't give
About nothing
You be standing on the corner
Talking all that kuffuffin
Well you don't make sense
From all the gas you
'Cause if the egg don't stain
You'll be ringing off the hook
You're on the hit list
Wanted in the telephone book
I like (17)_____ with distortion
To drink in proportion
The dentist said my mom
Should've had an abortion
...
I don't wanna waste my time
Become another (18)_____ of society
I'll never (19)_____ in line
Become (20)_____ victim of your conformity
And (21)_____ down
(Waste my time with them) casualty of society
(Waste my time with them)
Victim of (22)_____ conformity
And back down
...
