Go ahead as you (1) your days with thinking	When everything is wrong, we move along
When you fall everyone stands	Along, along, along
Another day and you've had your (2) of sinking	When all you got to keep is strong
With the life held in your	Move along, move along like I know you do
Hands are shaking cold	And even when your hope is gone
These hands are (3) to hold	Move along, move along just to make it through
Speak to me	When all you got to keep is strong
When all you got to keep is strong	Move along, move along like I know you do
Move along, move (4) like I know you do	And even when your hope is gone
And (5) when (6) (7) is gone	Move along, move along just to make it through
Move along, move along just to (8) it through	When all you got to keep is strong

Move along	Like I (9) you do (I know you do)

Such a heart that will lead you to deceiving	Move along
All the pain held in your	(Go on, go on, go on)
Hands are shaking cold	Right back what is wrong

Move along, move along like I know you do	Right back what is wrong
And even when your hope is gone	We move (10) (go on, go on, go on, go on)
